Skillsville Gallery needs a Fine Artist to fill it up!

Use the Feel Success Skill to show the Beeples  
what you're feeling with art!

## HOW TO PLAY

### 1. **Pick an emotion!**

Choose what you want to  
show the Beeples.

### 2. **Paint!**

How can you show what you feel?

### 3. **Show your art!**

Different Beeples like different art  
in the gallery!

## ASK YOUR CHILD

- Which painting that you made is your favorite so far? Why?
- How can you use tools and colors to show your emotions?
- Do you have any art at home? What emotions do you think the artist was trying to show?
