Group Size
Individuals, pairs, or group

After finishing the eBook, review the five Health careers:

Veterinarian, Audiologist, Ophthalmologist, Pharmacy Technician, and Rehabilitation Practitioner.

Share the following questions and prompt with children. Have them share their answers with a neighbor:

- "Which Health career did you find most interesting? Why?"
- "How do careers in Health help the community?"
- "Health careers use the **Feel** Success Skill every day. Describe a time when you needed to **Feel**."

Feel Definition

Check and show your emotions.
