

WORK OF HEART

Skillsville Gallery needs a Fine Artist to fill it up!
Use the Feel Success Skill to show the Beeples
what you're feeling with art!

HOW TO PLAY

1. **Pick an emotion!**
Choose what you want to show the Beeples.
2. **Paint!**
How can you show what you feel?
3. **Show your art!**
Different Beeples like different art in the gallery!

ASK YOUR CHILD

- Which painting that you made is your favorite so far? Why?
- How can you use tools and colors to show your emotions?
- Do you have any art at home? What emotions do you think the artist was trying to show?
