After finishing the eBook, review the five Government careers:

Aircraft Launch and Recovery Specialist, Military Pilot, Flight Deck Officer, Ground Crew, and Search and Rescue Operations Specialist.

Share the following questions and prompt with children. Have them share their answers with a neighbor:

- "Which Government career did you find most interesting? Why?"
- "How do careers in Government help the community?"
- "Government careers use the **Focus** Success Skill every day. Describe a time when you needed to **Focus**."

Focus Definition

Pay attention to something, even when distractions happen around you.
